SUBJECT INDEX

Abortion
  genetic counseling/testing and, Winter:29, 32
  limits on, hospital mergers/networks and, Spring:65-68
Abuse victims. *See also* Elder mistreatment
  children as, female circumcision/genital mutilation and, Fall:180, 187
  managed care and, Spring:70-71
Activities of daily living, disability assessments in, Summer:114-115
Advance directives, Summer:150
African Americans. *See* Black men; Black women
African Women's Health Project, Fall:174
Aging
  demographic trends. *See* Demographics
  pharmacotherapy and, Summer:138-141. *See also* Pharmacotherapy
  as women's issue, Summer:98, 106
"Aging Is a Women's Issue" (Wetle), Summer:98, 106
AIDS. *See also* HIV infection
  HIV testing and, Spring:89
  human rights and public health and, book review, Fall:197
Alendronate, for osteoporosis, Summer:125, 141
Alzheimer's disease
  epidemiology, Summer:133-134
  evaluation, Summer:133
  gender differences in, Summer:134-135
  presentation and course, Summer:132-133
  research needs in, Summer:136
  women as caregivers in, Summer:106,135-136
Amelia E. v Public Health Council, Spring:68
"An Economic Profile of American Older Women" (Lewis), Summer:107-112
Analgesics, elderly women and, Summer:147-149
Argentina, children of the disappeared in, genetic identification of, Winter:16-21
Arthritis, causing disability, Summer:119
Ashkenazi Jewish women, inherited breast cancer in, Winter:23, 26
Association of Israeli-Palestinian Physicians for Human Rights (AIPPHR), Fall:191-192
Asylum, political. *See* Political asylum
Australia, women's asylum claims, guidelines for, Fall:189

Baltimore Longitudinal Study of Aging, Summer:98, 106
Beijing Platform for Action, Fall:163, 172
"The Bell Curve," Winter:45
Black men
  life expectancy, Summer:117
  poverty levels, Summer:110-111
Black women
  attitudes toward offspring with mental retardation, Winter:28
  employment rates, Summer:108
  as immigrants, female circumcision/female genital mutilation in, Fall:174-178, 187
  life expectancy, Summer:113, 117
  living alone, incidence of, Summer:114
  osteoporotic fractures in, Summer:121
  poverty levels, Summer:110-111
  response to fetal abnormalities, Winter:28
  Tuskegee Syphilis Study and, Fall:195-196
Board of Immigration Appeals, Fall:190
Bone mass
  age-related changes, Summer:121
  predicting osteoporotic fractures, Summer:123
Breast cancer
  genetic testing for, Winter:6-7
    population screening, Winter:26
    professional practice guidelines, Winter:25-26
    susceptibility, Winter:23-25
  genetics of, Winter:22
    family studies, Winter:22-23
    penetrance, Winter:23
    population genetics, Winter:23
  risk assessment, Winter:24
  surveillance and prevention activities, Winter:24

Cairo Programme of Action, Fall:167-168
Calcitonin, for osteoporosis, Summer:125, 141
Calcium, for osteoporosis, Summer:141
Canada, women's asylum claims
  guidelines for, Fall:189
  Pakistani case, Fall:190

Cancer, inherited
breast cancer. *See* Breast cancer
hereditary nonpolyposis colon cancer, Winter:7
Cardiovascular Health Study, Summer:118
Caregivers, women as. *See* Women, as family caregivers
Catholic Church
doctrinal limits on reproductive health care and, Spring:65-68
Ethical and Religious Directives for Catholic Health Care Services, Spring:65
Catholic hospitals, reproductive health care in, effect of mergers on, Spring:66-68
Catholic women, response to fetal abnormalities, Winter:29
Centers for Disease Control (CDC), on managed care issues and opportunities, Spring:85-87
Child abuse, female circumcision/genital mutilation as, Fall:180, 187
Children
of the disappeared in Argentina, genetic identification of, Winter:16-21
economic embargoes and, health implications, Fall:181-184, 198
with FC/FGM. *See* Female circumcision/genital mutilation
Chile, human rights investigation in,Fall:192
Christian women, response to fetal abnormalities, Winter:29
Chronic pain, in elderly women, Summer:127-131
characteristics and assessment, Summer:128-129
management, Summer:129
osteoporotic, Summer:129-130
phenomenological aspects, Summer:128
"Chronic Pain in the Lives of Older Women" (Roberto), Summer:127-131
Circumcision, female. *See* Female circumcision/genital mutilation
"Clinical Molecular Genetic Testing" (Brzustowicz & Allitto), Winter:11-15
Colon cancer, hereditary nonpolyposis, genetics of, Winter:7
The Commonwealth Fund's 1994 Managed Care Survey, Spring:61
"Communicating About Chromosomes: Patients, Providers, and Cultural Assumptions" (Rapp), Winter:28-29, 32
"Compromised Consent: Deficiencies in the Consent Process for Genetic Testing" (Andrews), Winter:39-42,44
Consent process, in genetic testing, deficiencies in, Winter:39, 40-42, 44
Coronary heart disease, as outcome in elderly women with disability, Summer:115
"Correlates of Voluntary Human Immunodeficiency Virus Antibody Testing Reported by Postpartum Women" (Webber, Schoenbaum, Bonuck), Spring:89-92
Costs
of DNA sequencing, Winter:4-5
of Medicare HMOs, Spring:50
of pharmacotherapy, Summer:140
of women with disability, Summer:116
Counseling
genetic. *See* Genetic counseling
nutritional, for osteoporosis, Summer:124
Cuba
Cuban Democracy Act of 1992, Fall:182
economic embargo of, health implications, Fall:181, 182, 183
Cystic fibrosis
genetic testing for, Winter:6
genetics of, Winter:6

Dementia, end-of-life decisions and, Summer:150
"Demographic Trends for the Aging Female Population" (Manton), Summer:99-105
Demographics
of aging women, Summer:99-105, 113-114,
disability dependent life tables, Summer:103-104
disability dimensions, Summer:102
mortality, gender differences, Summer:102-103
of female circumcision/genital mutilation in African immigrants, Fall:175
of genetics professionals, Winter:33-34
of marital status and living arrangements among elderly, Summer:134
of minorities, future changes in, Summer:106
of US physicians, Summer:152-157
Deoxyribonucleic acid. *See* DNA
Department of Energy (DOE), as sponsor of Human Genome Project, Winter:4, 8-10
Department of Health and Human Services, action on female circumcision/genital mutilation, Fall:178
Depression, disability and, Summer:115
Disability, among elderly women
active life expectancy and, Summer:117
consequences, Summer:115-116
demographics, Summer:99-105,113-114
disability dimensions, Summer:102
disease and, Summer:117-119
life expectancy and, Summer:103-104
pharmacotherapy issues, Summer:141
prevalence, Summer:114-115,116-117
prevention, Summer:119
Disclosure, of genetic test results,Winter:36
Disease, and disability among elderly, Summer:117-119
DNA (deoxyribonucleic acid)
sequencing, by Human Genome Project, Winter:4-5, 8, 9
testing. *See* Genetic testing
Down syndrome, Winter:28
Drug therapy. *See* Pharmacotherapy
Drug use, as correlate of voluntary HIV testing in pregnancy, Spring:89-92
Duke University Prevention and Therapeutic Program for Osteoporosis, Summer:130
Dying
palliative medicines, Summer:147-149
treatment decisions, Summer:149-151
Dyspnea, treatment in very elderly women, Summer:148

Economic embargoes, health implications, Fall:181-184, 198
case studies, Fall:181-183
coping strategies, Fall:183-184
policy recommendations, Fall:184
Elder mistreatment, Summer:142-146
classification and definition, Summer:142-143
neglect and self-neglect, Summer:145-146
prevalence and incidence, Summer:143-144
victim and perpetrator characteristics, Summer:144-145
"Elder Mistreatment: Its Relevance to Older Women" (Hudson), Summer:142-146
Elderly women
abuse/neglect of, Summer:142-146
chronic pain in, Summer:127-131
demographics. *See* Demographics
disability in. *See* Disability
economic profile of, Summer:107-112
employment patterns, Summer:107-108
income levels and potential for poverty, Summer:110-111
income sources, Summer:108-110
longevity, Summer:107
stake in current policy debates, Summer:111-112
end-of-life issues, Summer:147-151
hospice care, Summer:147
palliative medicine, Summer:147-149
treatment decisions, Summer:149-151
osteoporosis in, Summer:121-126
pharmacotherapy for, Summer:138-141
Embargoes, economic. *See* Economic embargoes
Employee Retirement Income Security Act, Winter:43
Employment
elderly women's patterns of, Summer:107-108
gender differences in
among women physicians, Summer:155-156
of pay equity, Summer:110
genetic discrimination in, Winter:40
legislation on. *See under* Legislation
"End-of-life Issues for Very Elderly Women: Incurable and Terminal Illness" (Ahronheim), Summer:147-151
Established Populations for Epidemiologic Studies of the Elderly, nursing home admissions, disability and, Summer:115-116
Estrogen replacement therapy, for osteoporosis, Summer:124-125, 141
Ethical, Legal, and Social Implications (ELSI) program, Winter:5-6, 15, 43-44
